Hey man please add this info to the evidence folder and use the dates and entities contained in the attachments to add it to the timeline & relevant models.. use super-sleuth intro-spect mode for new leads & hyper-holmes turbo-solve mode to analyze the evidence in repository  
<https://github.com/rzonedevops/analysis> to identify areas for incremental improvement, implement the entity relation updates, and then push to the repository.

Good morning Jacqui

Trust you are well.

Please could you confirm that the information below is correct and advise on the last 2 items on the email below i.e. Source of funds the business generates and CRS question by answering **-YES or NO**, next to each item. This is required for FICA/KYC Refresh

Good Day,

Please forward below email to the client for refresh confirmation.

FNB Business is required to maintain and verify client information on an ongoing basis, as per the Financial Intelligence Centre Act, 38 of 2001 (FICA). FNB has an obligation to keep on record the most recent documentation pertaining to our FNB banked business clients – an undertaking known as Know Your Customer (KYC). All clients are equally obliged to provide us with this information for Mandate confirmation required if Authorized Signatories are still the same.
