Dear Marisca et al

It appears you may be being misled by the bookkeeper, Rynette Farrar, as she has nothing to do with Danny's company accounts. You are possibly submitting accounts that have not been checked by Danny, and for the record, as she is wrong, he is not being uncooperative as he has not been contacted in this regard.

Subject: Bank Statements / Unknown transfers

Good morning

Hope you all are keeping well.

I have sent through all the bank statements requested yesterday.

I have looked at the schedule of unknown transfers, and the only one that I can identify for sure is the transaction on the 13th of July 2022 for R25 000.00, as I saw correspondence with Barend from Dermal Skin. This total Barend has taken, so it would have been transferred to one of his private / business accounts.

The rest I do not know, and Barend say it is transfers that Danny has done, so Barend does not know either. Danny at this moment is not giving us any co-operation, so I cannot ask him. As far as I'm concerned, the amounts that were not paid directly to us at Regima Skin, were done to one of Barend's accounts. I seem to recall that the R25 000's, R50 000', R45 000's amounts all went to Barend accounts to cover his expenses as a distributor.

Also, these descriptions used for these transfers does not make sense at all. Like there is one transaction that refer to AOD, which is Barend customer account with Regima Skin, but I do not see that amount as being transferred into this account.

Sorry, I could not be of more help.

Regards

Hi Rynette,

This is the last invoice for the information we have, everything we have is now captured, there is however a few holes where Nadine has sent a request for some info and once received, we will just process that as well. We are now working on Drafting more Annual Financial statements. I will however ask the staff to put years against their timesheets so that I can add it in any future invoices.

Kind Regards
